Vince and Samantha, thanks for meeting with the BaP team today to illuminate a path forward for some of the trickier SAB-BaP comments. As Vince suggested, I'm sending around my notes on our action items.

It would be great if you could skim them (less than one page) to make sure I haven't mischaracterized anything major or failed to pick up on your main points. Feel free to edit. Perhaps when they are QAed I can add them as an addendum to the original issue sheet.

Thanks!
